

# New Zealand Society of Hospital and Community Dentistry

## 2010 Conference

**30th to 31st July  
Cophthorne Lake Front Resort  
Queenstown, New Zealand**

The annual conference for the NZSHCD is once again being held in the winter wonderland of Queenstown at the end of July.

We are looking forward to seeing you down in the South for two great days of presentations from our colleagues who work in Hospital and Community Dentistry services within New Zealand and from overseas.

As usual this conference relies on us presenting at this event and in particular our junior staff who always have such great topics -so please consider putting pen to paper (or preferably PowerPoint) and present your latest research or interesting cases over these two days.

***Due to the large number of presentations last year – all presentations to be 15 minutes***
